Exits south -> Elevator Lobby (#20)

#11 Comm Room

Exits southwest -> Tower Core (#21)
Not yet tried up
Items communications receive console; funnel-shaped hole; screen; communication send console; glowing button

Gone from here quantity of chemical fluid

#12 Systems Corridor West

Exits east -> Systems Corridor (#13); north -> Repair Room (#5); southwest -> Fork (#26)
Not yet tried northwest, down

#13 Systems Corridor

Exits east -> Systems Corridor East (#14); north -> Planetary Defense (#6); west -> Systems Corridor West (#12)

#14 Systems Corridor East

Exits north -> Course Control (#7); west -> Systems Corridor (#13)
Not yet tried south, east

#15 Balcony

Exits up -> Winding Stair (#27)
Way back? down -> Crag (#28)

#16 Rec Corridor

Exits east -> Mess Corridor (#17)
Way back? southwest -> Plain Hall (#29)
Not yet tried north

#17 Mess Corridor

Exits east -> Dorm Corridor (#18); north -> Storage West (#8); south -> Mess Hall (#30)
Way back? west -> Rec Corridor (#16)

#18 Dorm Corridor

Exits east -> Corridor Junction (#19); south -> Dorm C (#31); west -> Mess Corridor (#17)
Not yet tried north
Items Patrol-issue self-contained multi-purpose scrub brush; brochure; towel; ID card

#19 Corridor Junction

Exits east -> Elevator Lobby (#20); north -> Admin Corridor South (#9); south -> Mech Corridor North (#32); west -> Dorm Corridor (#18)

#20 Elevator Lobby

Exits north -> Upper Elevator (#10); south -> Lower Elevator (#34); west -> Corridor Junction (#19)
Not yet tried east
Items glass flask; curved metal bar; blue button; red button; upper elevator access card
Gone from here blob of red goo

#21 Tower Core

Exits north -> Upper Elevator (#10); northeast -> Comm Room (#11)
Not yet tried southwest

#22 Waiting Area

Exits east -> Kalamontee Platform (#23)
Way back? south -> Lower Elevator (#34)

#23 Kalamontee Platform

Exits south -> Shuttle Car Alfie (#35)
Way back? west -> Waiting Area (#22)

#24 Lawanda Platform

Exits east -> Escalator (#25)
Way back? south -> Shuttle Car Alfie (#35)
Not yet tried north

#25 Escalator

Exits east -> Fork (#26)
Way back? west -> Lawanda Platform (#24)

#26 Fork

Exits northeast -> Systems Corridor West (#12); southeast -> Project Corridor West (#37)
Way back? west -> Escalator (#25)

#27 Winding Stair

Exits up -> Courtyard (#42)
Way back? down -> Balcony (#15)

#28 Crag

Exits up -> Balcony (#15)
Way back? down -> Underwater (#43)

#29 Plain Hall

Exits northeast -> Rec Corridor (#16)
Way back? south -> Courtyard (#42)

#30 Mess Hall

Exits north -> Mess Corridor (#17); south -> Kitchen (#44)
Items kitchen access card

#31 Dorm C

Exits north -> Dorm Corridor (#18)
Not yet tried south
Items survival kit; blob of brown goo (in/on the survival kit)
Gone from here blob of green goo

#32 Mech Corridor North

Not yet tried west

#33 Storage East

Exits west -> Mech Corridor North (#32)
Not yet tried east
Items oil can; cardboard box; cracked seventeen-centimeter fromitz board (in/on the cardboard box); K-series megafuse (in/on the cardboard box); B-series megafuse (in/on the cardboard box)

#34 Lower Elevator

Exits north -> Waiting Area (#22)
Items lower elevator access card

#35 Shuttle Car Alfie

Exits east -> Alfie Control East (#36); north -> Lawanda Platform (#24)

#36 Alfie Control East

Exits west -> Shuttle Car Alfie (#35)
Not yet tried east
Items shuttle access card

#37 Project Corridor West

Exits east -> Project Corridor (#38)
Way back? northwest -> Fork (#26)

#38 Project Corridor

Exits east -> Project Corridor East (#39); south -> ProjCon Office (#46)

Way back? west -> Project Corridor West (#37)

#39 Project Corridor East

Exits east -> Main Lab (#40); west -> Project Corridor (#38)
Not yet tried north, south

#40 Main Lab

Exits south -> Lab Storage (#48); southeast -> Bio Lock West (#49); southwest -> Computer Room (#47); west -> Project Corridor East (#39)
Way back? east -> Bio Lock West (#49)
Not yet tried northeast

#41 Strip Near Relay

Exits south -> Middle of Strip (#59)
Not yet tried north, east
Items micro-relay
Gone from here speck

#42 Courtyard

Exits north -> Plain Hall (#29)
Way back? down -> Winding Stair (#27)
Not yet tried south, west

#43 Underwater

Exits up -> Crag (#28)
Way back? down -> Escape Pod (#53)

#44 Kitchen

Exits north -> Mess Hall (#30)

#45 Mech Corridor

Exits north -> Mech Corridor North (#32); south -> Mech Corridor South (#55)
Not yet tried east, west

#46 ProjCon Office

Exits east -> Computer Room (#47); north -> Project Corridor (#38); south -> Cryo-Elevator (#56)
Not yet tried west
Items mobile man-eating plant; lurking fanged creature

#47 Computer Room

Exits south -> Miniaturization Booth (#57); west -> ProjCon Office (#46)
Way back? northeast -> Main Lab (#40)

#48 Lab Storage

Exits north -> Main Lab (#40)
Items lab uniform; teleportation access card (in/on the lab uniform); piece of paper (in/on the lab uniform)

#49 Bio Lock West

Exits east -> Bio Lock East (#50); west -> Main Lab (#40)
Way back? northwest -> Main Lab (#40)

#50 Bio Lock East

Exits west -> Bio Lock West (#49)
Way back? east -> Bio Lab (#51)
Items fried seventeen-centimeter fromitz board; pile of computer output
Gone from here multiple purpose robot

#51 Bio Lab

Exits west -> Bio Lock East (#50)

Way back? east -> Lab Office (#52)

#52 Lab Office

Exits west -> Bio Lab (#51)
Way back? south -> Auxiliary Booth (#58)
Items desk; red button; black button; white button

#53 Escape Pod

Exits up -> Underwater (#43)
Way back? east -> Deck Nine (#54)
Items safety web

#54 Deck Nine

Exits west -> Escape Pod (#53)
Not yet tried port, starboard, up
Gone from here piece of celery, alien ambassador, Ensign First Class

#55 Mech Corridor South

Exits north -> Mech Corridor (#45); south -> Machine Shop (#61); southeast -> Robot Shop (#62); southwest -> Tool Room (#60)

#56 Cryo-Elevator (you were here)

Way back? north -> ProjCon Office (#46)

#57 Miniaturization Booth

Exits type 384 -> Station 384 (#63)
Way back? north -> Computer Room (#47)

#58 Auxiliary Booth

Exits north -> Lab Office (#52)
Way back? east -> Strip Near Station (#64)

#59 Middle of Strip

Exits north -> Strip Near Relay (#41); south -> Strip Near Station (#64)
Gone from here laser, new battery, laser setting dial, microbe

#60 Tool Room

Exits northeast -> Mech Corridor South (#55)
Items old battery

#61 Machine Shop

Exits north -> Mech Corridor South (#55)
Not yet tried east, west
Items chemical dispenser; square white button; round white button; black button; brown button; gray button; yellow button; green button; blue button; red button

#62 Robot Shop

Exits northwest -> Mech Corridor South (#55)

#63 Station 384

Exits east -> Strip Near Station (#64)

#64 Strip Near Station

Exits north -> Middle of Strip (#59); west -> Auxiliary Booth (#58)
Not yet tried south
